The City of Bonita Springs Gives Back!

Turkey Shoot 2015

With the help and caring of our generous clients, City of Bonita Springs staff and the Sports Club we were able to donate twelve complete meals and eighteen additional turkeys. That's a total of thirty turkeys! In addition to the Thanksgiving fare, we donated over eight giant boxes of food to be distributed by the Bonita Springs Assistance Office.

Public Works sponsored a family in need this Christmas. Leticia Santos of the Bonita Springs Assistance Office matched them with a single mom with two young boys. This young mom is also battling cancer.

The New Neighborhood Services Department- Rebranding and Refocusing on Service to the Community

The Department participated in a property clean up on Dortch Ave-helping a family with clean up and landscaping. The four hour project left the property owner so thankful it brought her to tears. With the help of Lee County Solid Waste all debris was removed from the property the same day. This is part of a monthly program for the department as part of their Building Blocks initiative-helping clean up an area each second Tuesday of every month.
