Golisano Children's Hospital will be holding a COVID-19 Vaccine clinic for students ages 12-17 from 4:30pm - 6:30pm on Thursday, September 9th at Spring Creek Elementary School. This clinic will take place after school hours and is offered at no cost. Receiving the vaccine is completely optional. Golisano Children's Hospital staff will be administering the Pfizer vaccine.

Parents / guardians of eligible students must accompany their students to the appointment.

After receiving the vaccine, students will be required to wait in the vaccination area 15 minutes to monitor for any adverse reactions.

Please note there could be a wait as students are vaccinated on a first-come, first-served basis.

The second dose of the COVID-19 vaccine will be scheduled at the time of the first dose.
