

TRAIL VISIONING WORKSHOPS

Tuesday, February 27th to Thursday, March 1st 2018

WHAT: Trail Visioning Workshops: Come help shape the look, feel, and priorities for trails in Bonita Springs. Multiple topics will be covered including:

- West Terry Street Trail and Pocket Park Design – Review and provide feedback on the proposed trail along Terry Street from Tamiami Trail to Bonita Springs Middle School.
- City-Wide Vision for Trails in Bonita Springs – Help identify new routes to create a complete and connected trail network in the City.
- Establish the Bonita Springs Trail Brand – Help identify the “look and feel” that will make the City’s trail system unique and easy to identify and use.

WHEN: Over the three days, there will be multiple opportunities to participate including:

- Visioning Kickoff Meeting (Tuesday Feb. 27 from 5:30 pm to 7:30pm) – Roll up your sleeves and work with the design team to establish the vision for trails. Will include overview presentation about trail projects underway as well as interactive group exercises to guide discussion.
- Open Studio (Wednesday Feb. 28 from 1:00 pm to 5:00 pm) – Can’t make an evening meeting? Stop by at your convenience at City Hall to talk one-on-one with the design team.
- Studio “Pin-Up” (Wednesday Feb. 28 from 5:00 pm to 7:00pm) – The design team will have an open house to share what was developed over Day 2 of the workshop. Input at the event will be used to refine concepts and recommendations for the City’s trail vision.
- Work in Progress Open House (Thursday March 1 from 5:30 pm to 7:30pm) – Come hear about what the design team developed over the three days and what the next steps will be for the W. Terry trail and other trail projects.

*Reminder: All meetings will be held at City Hall at 9101 Bonita Beach Road.
